

ADVERTISE IN THREE COMBAT STRESS SPECIAL EVENT PROGRAMMES

Combat Stress is the UK's leading mental health charity for veterans. For over a century, we've helped former servicemen and women deal with trauma-related mental health problems such as depression, anxiety and post-traumatic stress disorder (PTSD).

You're invited to promote your company at our upcoming annual events, which serve as crucial opportunities to promote and fund our work:

4 December 2025 (London)
11 December 2025 (Edinburgh)

4 June 2026

24 September 2026

The opportunity

At each event, guests receive a high-quality A5 programme which includes an overview of our meaningful work. This is an excellent opportunity to increase your brand exposure among a diverse and engaged audience comprising of company leaders, influential figures and military personnel. The programme is given to approximately 100 guests at the Clay Shoot, 500 at the London and Edinburgh Carols combined and 500 at the Annual Charity Dinner. Advertising rates differ between events to reflect variations in printing and production costs.

By becoming an advertiser, you'll also demonstrate your corporate social responsibility, aligning your corporate values with a worthwhile cause.
